

HOW TO USE REAL SCIENCE-4-KIDS

VENDOR WORKSHOP

by Rebecca W. Keller, Ph.D.

Prepared for the 2010 LDSEHE Education Conference in Buena Vista, Virginia

1

Real Science-4-Kids is organized by "Levels"

Pre-Level I	(Grades K-3)
Level I	(Grades 4-6)
Level II	(Grade 7-9)

You find the grade LEVEL that best fits your child.

There is a STUDENT BOOK a STUDENT WORKBOOK and a TEACHER'S MANUAL
for each subject in each grade level

2

When you pick your grade level start with CHEMISTRY

Why? _____

Next is BIOLOGY

Next is PHYSICS

Next is GEOLOGY/ASTRONOMY

HOWEVER!!- If you child had already had chemistry -- you can start anywhere

3

Do the content
Do the experiment
Make connections

Why? _____

You **don't** have to **worry** about screening the curriculum for unwanted bias--

because RS4K is **world-view neutral**.

You **don't** have to **worry** about your kids not understanding

because RS4K is **written for kids**.

You **don't** have to **feel anxious** about teaching real chemistry and physics

because RS4K **helps you understand too**.

You **don't** have to **worry** about the **cost**

because RS4K is **offered as print books, as ebooks and by chapter**.

You **don't need** expensive kits

because RS4K **experiments use** mostly **household items**.

You **don't** have to **prepare** multiple projects for different grades

because **RS4K levels overlap**.

You **don't** have to **stress** over a lesson plan

because RS4K has an **Online Tutorial** (in development).

You **don't** have to **worry** about testing

because RS4K has online and print **testing available**.

You **don't have to do this alone**

because RS4K has **several community groups**.

Join our Club Services for Online Testing and more.

Use our FREE Online Tutorial.

Become a Facebook Fan and do a virtual science fair project.

Get in touch with Dr. Keller by email, through the website, or on Facebook.

Join the fray at Rhubarb and have a "Pie Fight."

Use Real Science-4-Kids and give your kids the "richest source of insight."

Watch your kids excel with Real Science-4-Kids
